Subject: **Admissions Announcement – Fall 2026 | Scholarships for Graduate (MS & PhD) Programs at COMSATS University Islamabad, Pakistan**

Excellency,

Warm greetings from COMSATS University Islamabad (CUI).

With sincere appreciation, I extend my gratitude for the valuable cooperation extended by your esteemed office during CUI's previous admission campaigns.

I am pleased to share that in 2025, CUI admitted 70 international students from 10 countries, including several COMSATS member states, across a range of undergraduate and graduate programs under both self-finance and scholarship schemes. This reflects CUI's growing global outreach and commitment to academic excellence.

CUI is pleased to announce that admissions for international applicants are now open for the Fall 2026 semester in both undergraduate and graduate programs. At CUI, international students benefit from a uniform fee structure equivalent to Pakistani students, demonstrating our strong commitment to inclusivity and equal opportunity.

Scholarships are available for MS and PhD applicants from COMSATS member states, covering full fee for the entire program duration, while students bear travel, visa, and living expenses

A selection of key academic programs includes:

- Computer Science, Artificial Intelligence, Software Engineering, Data Science
- Electrical Engineering, Chemical Engineering
- Mathematics, Physics, Chemistry, Biosciences, Environmental Science
- Earth Sciences (Applied Geology), Meteorology, Remote Sensing & GIS
- Management Sciences, Project Management, International Relations, Development Studies

The last date to apply for Fall 2026 admissions is **May 31, 2026**, and applications may be submitted online at <https://internationaladmissions.comsats.edu.pk>. Detailed information regarding eligibility criteria, application procedure, and scholarship opportunities is available at: <http://ww2.comsats.edu.pk/internationalstudents/>

We would greatly appreciate the support of your esteemed office in disseminating this information to relevant institutions and prospective students in your country to ensure maximum outreach and utilization of these scholarship opportunities.

With best wishes and warm regards.

Yours sincerely,

(Muniba Nasir)
