

## Faculty of Agriculture

### BSc

Agriculture, Herbal Genetics, Animal Science  
Water Science and Engineering  
Horticulture Science and Engineering  
Soil Science and Engineering, Plant Pathology

### MSc

Agricultural Engineering, Agroecology  
Weeds Identification and Control  
Seed Science and Technology, Genetics and Plant Breeding  
Ecological Agriculture, Rural Development  
Agrotechnology (Physiology of Crops)  
Agrotechnology (Ecology of Crops)  
Agrotechnology (Seed Science and Technology)  
Water Science and Engineering (Hydraulic Structure)  
Water Science and Engineering (irrigation and Drainage)  
Water Science and Engineering (Water Resources)  
Plant Pathology, Animal Science (Animal Nutrition)  
Animal Science (Poultry Nutrition)  
Animal Science (Poultry Breeding and Management)  
Animal Science (Animal and Poultry Breeding and Genetics)  
Animal Science (Animal and Poultry Physiology)  
Horticultural Science and Engineering (Medicinal Herbs)

### PhD

Agricultural Engineering (Agriculture)  
Agrotechnology (Physiology of Crops)  
Agrotechnology (Ecology of Crops)  
Water Resources Science and Engineering  
Animal Science (Animal Nutrition)  
Animal Science (Poultry Nutrition)

## Faculty of Literature and Humanities

### BA

Philosophy and Islamic Theology, Political science  
Sociology, History, Geography, English literature, Law  
English Translation, Persian Language and Literature

### MA

Philosophy and Islamic Theology (Islamic Philosophy)  
Philosophy and Islamic Theology (Islamic Theology)  
Social Science Research, History of Islamic Iran  
Geography and Rural Planning, Geopolitics, Translation Studies  
Linguistics, Persian Language and Literature  
Persian Language and Literature (Comparative Literature)  
Persian Language and Literature (Narrative Literature)  
Arabic Language and Literature, Political Sciences  
Environmental Hazards, Nahj-al Balagha

### PhD

Persian Language and Literature  
Persian Language and Literature (Lyric Literature)

## Faculty of Engineering

### BSc

Mechanical Engineering, Civil Engineering, Mining Engineering

### MSc

Mechanical Engineering (Energy Conversion)  
Mechanical Engineering (Manufacturing and Production)  
Mechanical Engineering (Applied Design)  
Civil Engineering (Environment)  
Civil Engineering (Water and Hydraulic Structures)  
Civil Engineering (Structural Engineering)  
Civil Engineering (Water Resources Management)  
Civil Engineering (Water Resources Engineering and Management)  
Mining, Mining Engineering (Mining Exploration)  
Mining Engineering (Mineral Processing)  
Mining Engineering (Mining and Environment)

### PhD

Mechanical Engineering (Energy Conversion)  
Mechanical Engineering (Manufacturing and Production)  
Mechanical Engineering (Solid Mechanics)  
Mechanical Engineering (Applied Design-Solid Mechanics)  
Mechanical Engineering (Applied Design-Dynamics  
Control, and Vibrations)

## Faculty of Electrical and Computer Engineering

### BSc

Electrical Engineering, Computer Engineering

### MSc

Electrical Engineering (Integrated Electronic Circuits)  
Electrical Engineering (Power Systems)  
Electrical Engineering (Power Electronics and Electrical Machines)  
Electrical Engineering (System Telecommunications)  
IT, IT (Computer and Communication Networks)

### PhD

Electrical Engineering (Electronics)  
Electrical Engineering (Power)  
Electrical Engineering (Telecommunications)  
Electrical Engineering (Control)

## Faculty of Art

### BA

Archaeology, Handicrafts, Carpet, Islamic Art

### MA

Archaeology (Pre-Historic Period), Archaeology (Historic Period)  
Archaeology (Islamic Civilization and Culture  
of Iran and Other Countries)

## Faculty of Natural Resources and Environmental Studies

### BSc

Environmental Science and Engineering  
Nature Engineering, Range and Watershed

### MSc

Environmental Science and Engineering  
(Land Assessment and Evaluation)  
Environmental Science and Engineering  
(Environmental Pollution)  
Watershed Engineering, Range Engineering  
Range Science and Engineering (Range Management)  
Range Science and Engineering  
(Medicinal Herbs and Industrial Plants)  
Watershed Science and Engineering (Flood and River)  
Watershed Science and Engineering (Water and Soil Protection)

### PhD

Environmental Science and Engineering, Environmental Pollution

## Faculty of Sciences

### BSc

Geology, Biology, Applied Chemistry, Pure Chemistry, Physics

### MSc

Nuclear Physics, Atomic and Molecular Physics  
Solid-State Physics, Astronomy and Astrophysics  
Physics (Elementary Particles and Theory of Fields)  
Plasma Physics, Condensed Matter Physics  
Chemistry (Physical Chemistry), Chemistry (Organic Chemistry)  
Chemistry (Inorganic Chemistry), Chemistry (Analytical Chemistry)  
Phytochemistry, Geology (Petrology)  
Geology (Stratigraphy and Paleontology), Geology (Tectonics)  
Geology (Sedimentary rocks and Sedimentology)

### PhD

Geology (Tectonics), Chemistry (Physical Chemistry)  
Chemistry (Organic Chemistry), Chemistry (Inorganic Chemistry)  
Chemistry (Analytical Chemistry), Physics (Plasma)  
Physics (Astronomy and Astrophysics)

## Faculty of Mathematics and Statistics

### BSc

Statistics, Mathematics and Applications

### MSc

Statistics (Mathematical Statistics), Pure Mathematics (Analysis)  
Pure Mathematics (Algebra)  
Pure Mathematics-Geometry (Topology)  
Applied Mathematics (Numerical Analysis)  
Applied Mathematics (Optimization)  
Applied Mathematics (Code)  
Applied Mathematics (Mathematical Finance)  
Statistics and Educational Testing

### PhD

Mathematics (Algebra), Pure Mathematics  
Pure Mathematics (Analysis), Statistics, Geometry (Topology)

## Faculty of Psychology and Educational Sciences

### BA

Psychology, Knowledge and Information Science  
Educational Sciences

### MA

Psychology (Educational Psychology)  
Education (Curriculum Planning)  
Education (Education Management)  
Knowledge and Information Science (Information Management)  
Knowledge and Information Science (Public Library Studies)

### PhD

Curriculum Planning

## Faculty of Physical Education and Sport Sciences

### BSc/BA

Sports Science

### MSc/MA

Physical Education and Sports Science,  
Sport physiology (Applied Sport Physiology)  
Sport physiology (physiology of Pure Sports Activities)  
Sport Management (Strategic Management in Sport Organizations)

### PhD

Exercise Physiology  
Exercise Physiology (Biochemistry and Exercise Metabolism)
